**JACKSON ENERGY AUTHORITY**

**RESIDENTIAL WATER RATE SCHEDULE RI**

**AVAILABILITY**

This rate shall apply to water service for domestic uses in a single private dwelling, including an individual family apartment or mobile home located within the corporate limits of the City of Jackson. The Residential Rate shall not apply to service to institutions such as clubs, fraternities, orphanages or homes; recognized rooming or boarding houses; or to other areas primarily used for professional or other gainful purposes.

**RATE**

First..... 7,000 gallons per month at \$0.3470 per 100 gallons  
Next..... 43,000 gallons per month at \$0.2810 per 100 gallons  
Excess over..... 50,000 gallons per month at \$0.1670 per 100 gallons

**MINIMUM MONTHLY BILL**

5/8" Meter - \$11.72 per month	1 1/2" Meter - \$19.73 per month
1" Meter - \$15.83 per month	2" Meter - \$23.30 per month

Where more than one house, building or structure used for living, eating or sleeping quarters uses water through a common meter; or in houses occupied by more than one family and in apartment houses where water is measured by a common meter, the minimum monthly bill shall be \$10.84 times the number of families served through each common meter, and the total charge for such service shall be billed under the above rate schedule as if each family unit were separately metered.

**PAYMENT**

Bills under this rate schedule will be rendered monthly. Any amount of bill unpaid after due date specified on bill may be subject to additional charges under Jackson Energy Authority's standard policy.

**SINGLE-POINT DELIVERY**

The above rates are based upon the supply of service through a single delivery and metering point. Separate supply for the same customer at other points of consumption shall be separately metered and billed. Service under this classification is subject to Rules and Regulations of the Authority.
